

Official DOE Solar PV Installer Registry

(updated as of 31 December 2023)

The DOE Solar PV Installer Registry may serve as a reference and guide for interested Government Entities for the assessment and installation of Solar PV Systems in their respective buildings and facilities. The DOE does not endorse any listed Solar PV Installer. Products and services shall undergo the usual government procurement procedure pursuant to Republic Act No. 9184, otherwise known as the Government Procurement Reform Act, and other existing relevant rules and regulations.
